**Subject:** Couple updates of good news

Folks-- just got off the phone w Stacey Jensen (for Jen Moyer) and she was positively oriented to the two items I raised.

**Non Responsive - material not related to Puget Sound High Tide Line**

**Non Responsive - material not related to Puget Sound High Tide Line** With respect to high tide line in WA she will ask Jen to signal the Division Engineer that a Puget Sound or WA option now was a good thing. I'll forward her the WA letter tomorrow but I don't expect their call to the NWD till the first week of the new year.

Sounds good on both fronts...

Happy Holidays  
John
